PRESS RELATIONS DIRECTOR

Dear Mr & Mrs Manley-

I have been planning to stop by to see you, but it just hasn't been possible.

You know there is no better way to announce good news, than by doing it personally. I have recently enjoyed the thrill of passing the bar examination to qualify as an attorney. I suppose the greatest part of the thrill is the satisfaction of having passed it the first time.

I am enclosing a Sunday Call clipping in which you'll notice the Newark Eagles are mentioned.

Best wishes,

Yours sincerely,
Jerry
